The Board approved Mr. Stevens, Rosi Dagit, Sr. Conservation Biologist, and the Finance & Administration Committee as the Selection Committee with the responsibility for final approval for these contracts. **Moved/Seconded: Ms. Price/Mr. Rosentsweig; approved 5-0.**

Finally, State Conservationist Carlos Suarez told Ms. Afman that he expects billions of dollars to come into the state through NRCS in the next year.

8. **INFORMATIONAL REPORTS:**
   A. **Staff Reports for August 2021:**
      i. **Clark Stevens, Executive Officer:** Mr. Brody inquired about work at Topanga Elementary School, to which Mr. Stevens responded that the RCD is a subcontractor and the prime contractor is waiting for LAUSD. Mr. Brody asked for an update on the Sphere of Influence expansion process. Mr. Stevens reported that the RCD SMM’s boundary in Ventura County will be decided by the Ventura County LAFCO due to a recent MOU between them and the LA County LAFCO, and VC LAFCO
believes that all RCDs are prohibited from working in incorporated areas. This view is not supported by the LA LAFCO. The LA County portions of the expansion will go ahead separate from the Ventura County expansion. Antelope Valley RCD is expected to contest RCDsMM expansion in the Santa Clarita Valley, but nothing formal has been put forth at this time.

ii. John Hendra, Finance & Operations Officer
iii. Rosi Dagit, Senior Conservation Biologist
iv. Marilyn Brody French, Education Supervisor
v. Antoine Kunsch, Community Resilience Coordinator

B. Ad Hoc DEI Committee report: Ms. Price reported about the proposal meeting with DoGoodery and their process for working with the RCD. The Committee needs to gather some more information and will bring a proposal to a future meeting.

9. DIRECTORS’ COMMENTS/ANNOUNCEMENTS
   • Mr. Rosentsweig reported that the Education Committee met with new Education Coordinator Marilyn Brody French and were impressed. She did extensive outreach to local colleges and other groups to get new educators to join the team by going through the fall training.
   • Ms. Helsley reported on Envirothon. The committee has put together an advisory panel to prepare the next test. The issue in the coming year is “Waste to Resources.” The Envirothon Committee gave out scholarships from the Rich Campbell Scholarship Fund to the state Envirothon winners. She also called attention to the CSDA magazine that had an article highlighting RCDsMM.
   • Mr. Brody asked if the RCDsMM should comment on the redistricting process going on for LA County. Mr. Stevens reported that he is monitoring the process and feels that districts will remain largely the same. He plans to bring a comment letter for Board approval to the November Board meeting. Mr. Brody requested that this be a discussion item on the next agenda.
