Join the RCD Team

Since 1983, the Resource Conservation District has been offering quality Environmental Education Programs that now encompass field programs at Malibu Lagoon, Sepulveda Basin Wildlife Reserve, Topanga State Park, in classrooms, and virtually. The RCD is seeking passionate and knowledgeable educators to lead these NGSS-supported programs that reach thousands of students throughout Los Angeles and Ventura counties each year.

RCD Educators work on a flexible, part-time schedule September through July all based on your interests and availability. Apply now for an invitation to our 5-week Fall Educator Training starting in September!

To Apply
