Finally, he reported that the first hearing was held for AB 441, which would loosen restrictions on Board in-person attendance. The bill was changed to apply to neighborhood councils in the City of LA, so RCDs will need to ask for an amendment to be included.
   - Mr. Tredennick introduced himself to the Board, discussed his background and commended the work the southern RCDs are doing.

4. USDA/NATURAL RESOURCES CONSERVATION SERVICE REPORT:
   Mr. Engelhardt reported that the Conservation Stewardship Program application deadline is April 28. The application deadline for Environmental Quality Incentives Program (EQIP) has passed, but NRCS is taking applications for the 2024 funding cycle. Oak
woodlands can fit into the EQIP as well under forestry funding. He is working on six sites for the Emergency Watershed Protection program related to flood damage and two others related to flooding and manure management.
